

Common Core Standards Quiz

True or False

1. Common Core Standards are just a fad and will go away, so we don't need to worry about them.
2. The Standards only include skills and do not address the importance of content.
3. The English Language Arts Standards for grades 6-12 only apply to English teachers.
4. At least fifty percent of reading material should be non-fiction according to the Common Core Standards.
5. The new assessment will not start until 2014-2015, so it is too soon to start the transition to the new IL Common Core Standards.
6. The Common Core Standards for math prepare students for Algebra I in 8th grade.
7. The Common Core Standards focus on what students need to know and be able to do as well as how teachers should teach.
8. The Common Core Standards set grade specific targets but do not define the intervention models or methods necessary to support students above or below grade level.
9. The new assessment will be based on through course assessments.
10. Students entering Kindergarten during the 2011-2012 school year will never see ISAT if the new assessment timeline is met.
